

Why?

This simple and easy icebreaker is a great way to get to know the people in your BC2M club! Knowing each other helps create a welcoming environment and allows you to better support each other.

How to:

Print out a "Get to Know You Bingo" card for all of the members of your BC2M club. You can also print and laminate these cards and use dry erase markers so that you can reuse the sheets again! We have provided a filled-in card for you as well as a blank template if you would like to create your own get-to-know-you questions. The goal of the game is to fill the entire card up and to put a different person's name in each box. However, if your club is on the smaller side, feel free to use the traditional bingo rules of trying to get 5 boxes in a row.
