

Wall of Love

bring
change
to mind

Why?

After learning about relationships utilizing the presentation "Healthy Relationships and Teen Dating Violence", this activity's goal is to allow students the opportunity to define what love means to them.

How To

Print copies of the "Love is..." speech bubble template. Have students cut out the speech bubbles and write down what love means to them. Feel free to hang these bubbles on a board or in a space in the hallway.

Materials

- [Speech Bubble Template print out](#)
- scissors
- markers/pens

Tips

If available, printing out the speech bubbles on color paper is great! Give students time to share their responses and discuss with each other.
